**Omar Tyree**

## **Dr. King: The Dream Revisited - Has It Been Attained?**

Diversity speaker Omar Tyree connects Dr. King's dreams to contemporary society and challenges the audience to ask how close we have come to attaining the dream.

## **Leadership in the Hip-Hop Generation**

Leadership speaker Omar Tyree discusses how the hip-hop generation is in need of greater leadership, and gives suggestions for how students and individuals can help themselves and others by taking on leadership roles.

## **Kwanzaa: The Seven Principles to African American Survival**

Omar Tyree is one of the few lecturers on the circuit with a well-prepared Kwanzaa program that speaks to the seven principles and challenges students to apply them in their everyday life.

## **The Equation for Life**

Based on his book, *The Equation for Life*, Omar Tyree discusses what he believes is the equation for the best life possible:  $L/A * S = B$ . He says, "First you have to love what you do (L), and become a highly skilled artist at it (A), while developing promotional and marketing tools to gather public and professional support (S), which ultimately leads to business (B)." This presentation can be customized to arts and business, school and life, and business and life.
