

# Johnny Beehner

Johnny Beehner puts on a very funny show. That's all there is to it. He has been performing standup comedy since 1999. He has been seen on NBC's Last Comic Standing; he can be heard on the Bob and Tom radio show; XM Satellite radio; and he is constantly travelling from city to city across the country, making people laugh.

With a strong background in improvisational theater throughout all of college, including training at Chicago's prestigious Second City, Johnny brings a very unique show to the stage. His shows have been described as "silly," "smart," "fun," and "hilarious." Johnny centers himself as the butt of most of his jokes with tales of growing up a tall, skinny, awkward middle child in a huge family. Whether it's at a college, a private event, or a comedy club, Johnny's clean and clever style of comedy is sure to keep the audience laughing.
