

Lion of Ido

Dramatic vocals, powerful harmonies, and ear catching lyrics are the signature of Lion of Ido, a 5 piece pop rock band from NYC.

Since their formation in 2007, Lion Of Ido has been recording music, touring and selling out venues throughout the Northeast. The band has climbed the music industry ladder having a development deal with a major label; performing at the Teen Vogue Fashion University celebration at the Juicy Couture Flagship store, and earning key support slots with major artists including Matt and Kim at SUNY Stony Brook, Rocket Summer at Highline Ballroom, Ryan Star at The Bowery Ballroom and We Are Scientists at Baruch College.

Ido Z is the lead vocalist and primary songwriter, but all the band members Steve Lombardo, Crista Russo, Zach Periharos and Adam Samuels co-write and sing the songs.

In a city with hundreds of clubs and thousands of bands, Lion of Ido's brand of electro pop will win your ears over on first listen.

Instrumentation
