# MEECHIE HALL

Meechie Hall, a Chicago Native, provides comedy for all occasions. Naturally funny all his life he honed his improv, stand-up, and directing skills to provide comedy internationally. Meechie's honest intelligent comedy is taken from his real life experiences; mixed with urban savvy to be relatable with every joke.

More than a comedian, Meechie works with multiple community organizations, church groups, and schools as a motivational speaker working against violence, a soaring dropout rate, and career development. Starting his own comedy company and solidifying a career with the #1 morning show in Chicago (Power 92.3 Trey's morning Jump Off Team), Meechie has added teaching comedy, ghost writing for comedians, and directing an internet show (Urbanwire.tv Everythingthatsfunny) to his many achievements.

Meechie is considered by many to be one of the most creative and coolest almost famous comedians in the world. Bring Meechie Hall or his improve group to your venue or school. You can find comedy clips, improve sketches, and links to his internet show on his brand new web site.
